

Quality- & environmental policy statement

Grafityp Selfadhesive Products NV wish to specialise expressly in self adhesive products for the graphical- and the sign making industry, including digital print media and laminates. Grafityp Selfadhesive Products NV want to make an effort to contribute to a continuous improvement of the quality of the products and the environment, and this in every aspect of their core activities.

Grafityp Selfadhesive Products NV have integrated a quality- and environmental policy within the daily business plans and company policy.

Grafityp Selfadhesive Products NV are continuously making high demands upon themselves in order to meet the wishes and needs of their customers and other parties concerned, and makes the necessary investments in technology in order to keep guaranteeing the satisfaction of the customers and other parties concerned and to keep developing.

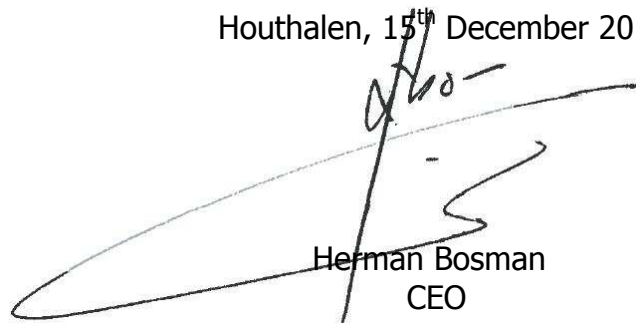

Grafityp Selfadhesive Products are undertaking to :

- continuously improve their quality and environmental management system, as stipulated in the definitions of ISO 9001 and ISO 14001;
- comply with the legal prescriptions, and if possible to do even better;
- comply with the requirements of the customers;
- reduce the environmental nuisance and to prevent activities that may have a negative impact on the environment;
- pursue a policy that is focussing on quality and environmental control;
- regularly evaluate and continuously improve the quality- & environmental results.

Grafityp Selfadhesive Products NV are striving to make all co-operators follow the quality- & environmental standards, as stipulated in the quality- & environment system of Grafityp Selfadhesive Products NV.

This policy statement is communicated to all Grafityp co-operators and published on the website of Grafityp Selfadhesive Products NV.

Houthalen, 15th December 2011
