REACH statement of absence of Very High Concern Substances

Under the terms of the REACH regulation, all chemical substances have to be registered, and very high concern substances are subject to an authorization procedure.

The European Chemicals Agency (ECHA) published an official candidate list of Very High Concern Substances on :

- October 28th, 2008;
- January 13th, 2010;
- June 18th, 2010;
- December 15th, 2010;
- June 20th, 2011;
- December 19th, 2011;
- June 18th, 2012;
- December 19th, 2012;
- June 20th, 2013;
- December 16th, 2013;
- June 6th, 2014;
- December 17th, 2014;
- June 15th, 2015.

We declare that no Very High Concern Substances, published in the ECHA official candidate lists and in the authorization list (list of substances, included in Annex XIV of REACH), are being used in Grafityp cast, calendered and GEF cutting films, print films, and laminates, nor in cast and calendered AMD films.

We are providing this product information on the basis of the current science and cannot be held responsible for any fact beyond our knowledge and control.
